NOTICE TO CONTRACTORS AND BUILDERS.

Important Discoveries and New Arrangements!

THE subscriber has discovered upon his premises a splendid

QUARRY OF FREESTONE,

which promises to surpass anything yet found in the state as well as add to the many already developed resources of our city,

A Beautiful, Cheap and Durable Building Material,

He has made arrangements to work this, together with the justly celebrated

Monterey Lime Stone Quarry,

on a scale equal to the demands of our enterprising citizens, and in order to accommodate his numerous customers, he has made arrangements to keep constantly on hand a large supply of

ATHENS MARBLE

(or Chicago stone.) He is now fitting up extensive saw and scouring mills and other machinery necessary for working the same, at a great reduction from former prices.
He also wishes to call attention to the fact that sound cutting or dimension stone can only be found at great distances from the surface, and that the Monterey Quarry is the only one in this county that has been worked for enough to reach those formations that are imperishable when exposed to the action of air and frost.
He is also supplying his Quarry with Derricks to facilitate the handling and loading large stone, and is fitting up expensive wagons, carts and trucks, rigged with the most approved appliances for moving and delivering dimension stone of any size, from two to thirty feet square, and from six to twenty inches thick, or any required length up to one hundred feet, to any part of the city or on board of the cars.
He is prepared to furnish

Cut Stone

of every description.

PLAIN, MOULDED, CARVED OR POLISHED FLAGGING
of any required dimension.

Curbing, Paving, Ruble and Coursing

stone of the best quality in the state, all of which will be delivered at his Quarries or any part of the city, to suit purchasers.
In conclusion, he begs to assure the public that from the superior quality of his materials, and facilities for furnishing, he can and will make it to their interests to patronize the Monterey Quarries.
All Orders from the city or country will be promptly attended to.

THE above are *First Class, justly popular, and prompt paying* companies. They invite investigation into their condition and solicit business entirely upon their real merits. In point of solvency and reliability and honorable dealing, they have but *few equals, and no superiors.* They are founded upon the very best securities in the world—first class bonds and mortgages upon property in New York and Brooklyn—securities that have not, for the past ten years, depreciated below par, and are every way more reliable and permanent than railroad, bank, and other stocks, which are subject to the fluctuations of the market, and liable, *in times of panic,* as the experience of the past teaches, to become almost, if not entirely, valueless. And while there are Companies entering the field of competition, well calculated to mislead by publishing *partial and one-sided* statements of their condition, and without a cash surplus on hand sufficient to reinsure their outstanding risks, the above named companies always have and keep over and above their capital *twice* the amount, and in most instances *four* times, needed for the reinsurance of all their risks. With such a foundation, and with such a condition, they claim the right to look with confidence to the public for liberal patronage.
Policies issued without delay, and firms risks for a series of years taken at less rates than can be done by Mutual Companies, and a *certainty* given instead of an *uncertainty.* All losses promptly adjusted and paid.

NOTICE TO CONTRACTORS AND BUILDERS.

Important Discoveries and New Arrangements!

THE subscriber has discovered upon his premises a splendid

QUARRY OF FREESTONE,

which promises to surpass anything yet found in the state, as well as add to the many already developed resources of our city,

A Beautiful, Cheap and Durable Building Material,

He has made arrangements to work this, together with the justly celebrated

Monterey Lime Stone Quarry,

on a scale equal to the demands of our enterprising citizens, and in order to accommodate his numerous customers, he has made arrangements to keep constantly on hand a large supply of

ATHENS MARBLE

(or Chicago stone.) He is now fitting up extensive saw and scouring mills, and other machinery necessary for working the stone, at a great reduction from former prices.

He also wishes to call attention to the fact that sound cutting or dimension stone can *only* be found at great distances from the surface, and that the Monterey Quarry is the only one in this county that has been worked far enough to reach those formations that are imperishable when exposed to the action of air and frost.

He is also supplying his Quarry with Derricks to facilitate the handling and loading large stone, and is fitting up expensive wagons, carts and trucks, rigged with the most approved appliances for moving and delivering dimension stone of any size, from two to thirty feet square, and from six to twenty inches thick, or any required length up to one hundred feet, to any part of the city or on board of the cars.

He is prepared to furnish

Cut Stone

of every description,

PLAIN, MOULDED, CARVED OR POLISHED FLAGGING

of any required dimension.

Curbing, Paving, Ruble and Coursing

stone of the best quality in the state, all of which will be delivered at his Quarries or any part of the city, to suit purchasers.

In conclusion, he begs to assure the public that from the superior quality of his materials, and facilities for furnishing, he can and will make it to their interests to patronize the Monterey Quarries.

All Orders from the city or country will be promptly attended to.

THE above are *First Class, justly popular, and prompt paying* companies. They invite investigation into their condition and solicit business entirely upon their real merits. In point of solvency and reliability and honorable dealing, they have but *few equals, and no superiors.* They are founded upon the very best securities in the world—first class bonds and mortgages upon property in New York and Brooklyn—securities that have not, for the past ten years, depreciated below par, and are every way more reliable and permanent than railroad, bank, and other stocks, which are subject to the fluctuations of the market, and liable, *in times of panic*, as the experience of the past teaches, to become almost, if not entirely, valueless. And while there are Companies entering the field of competition, well calculated to mislead by publishing *partial and one-sided* statements of their condition, and without a cash surplus on hand sufficient to reinsure their outstanding risks, the above named companies always have and keep over and above their capital *twice* the amount, and in most instances *four* times, needed for the re-insurance of all their risks. With such a foundation, and with such a condition, they claim the right to look with confidence to the public for liberal patronage.

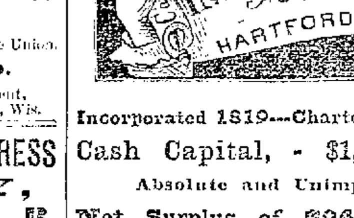

Policies issued without delay, and forms risks for a series of years taken at less rates than can be done by Mutual Companies, and a *certainty* given instead of an *uncertainty*. All losses promptly adjusted and paid.

The Charleston Convention.

Our reports from Charleston show increased excitement and bitterness between the contending factions which compose the democratic convention. The point in dispute is whether the platform shall state that congress shall interfere directly to protect slavery in the territories, or whether the squatter sovereignty dodge shall be tried again. It would appear that the Douglas wing of the convention on the final votes were the strongest. This gave the Douglas men great hopes of his nomination, while the friends of Dickinson were equally hopeful. This is evidently a trying time with the democracy, and if the party in the country is composed of materials similar to that of the convention, they must separate [illegible] during the presidential campaign. If Douglas is nominated he cannot [illegible] the entire support of the party, and without union it will be impossible to elect him. The moment he is nominated there will be a strong party formed in the south to oppose him. This would help him in the north, if the northern people had any confidence in him, but he is the author of the repeal of the Missouri compromise, and he [illegible] the opinion of the supreme court in the Dred Scott decision; no man can carry these loads successfully through a campaign in the north.

The convention which is to be held at Chicago will present a marked contrast with that at Charleston. It will be a united body of men who will not quarrel a week over the platform, but will adopt it in a [illegible]. Republicans are not divided in [illegible] upon any national question, [illegible] there will be no difficulty on that [illegible]. They may have diverse opinions as to the best men for candidates, but will [illegible] arrive at a unanimous conclusion upon that point, when they will adjourn confident of victory over their divided opponents.

[illegible] OF BOOTH.—The Milwaukee [illegible] gives currency to a rumor, which [illegible] probably well founded," that [illegible] Booth will be pardoned early this week.

[illegible] Johnson, the well known type founder of Philadelphia, died last week, of [illegible]. He was known throughout the [illegible] as one of our oldest and most successful type founders.

[illegible] Nicholas Vail, the young man who [illegible] stabbed in a saloon at Chicago, not [illegible], is recovering.

[illegible] Mr. Buchanan is so vexed at the disclosures made by the investigating committee of the House, that he threatens to veto all remaining appropriations to pay [illegible] expenses. It is proposed to be even with him by refusing to appropriate money for the contingent expenses of his house.

[illegible] DISASTER.—The steamboat [illegible], Capt. Taylor, from St. Louis to New Orleans, was burnt on the night of the [illegible], at the foot of Island Sixteen, not far from Memphis, Tenn. The passengers and [illegible] were saved. Seven children and 6 of the crew were known to be lost. The boat and her cargo are a total loss: the boat was valued at $60,000 and insured for [illegible]; the cargo was valued at $120,000 and uninsured. The books and papers were lost.

A CHICAGO VESSEL LOST.—The brig J. H. [illegible] went ashore at Cleveland on [illegible]. It is supposed that she came in contact with a field of ice in Lake Erie and was wrecked, and all on board lost. She was valued at $6,000, and owned in Chicago.

The New York Herald has a dispatch stating that one hundred and twelve southern members of the convention have pledged themselves in caucus, to each other, never to vote for Douglas, in any case.

SUDDEN DEATH.—About noon yesterday, April 24, the remains of Asa Story, a jobber in the pinery, were brought down the Red Cedar river to this place. It seems that the deceased had been quite well till Tuesday night when he came into camp complaining of pains and fever symptoms. He grew rapidly worse till Monday morning, when his friends became alarmed and placed him in a canoe, and started down the river, 120 miles to this place. They arrived Monday night at the residence of Captain Moore, 6 miles above Menomonee, where he died at half-past 12 o'clock that night.

The deceased was about 32 years old, was an industrious, worthy man, and had many friends among our lumbermen, who mourn his loss.—*Dunn County Lumberman.*

Mr. Story formerly lived in this county, and his parents reside in Johnstown at this time.

A WARNING TO MOTHERS.—A child nine weeks old was smothered to death in a feather bed on Monday, in St. Louis, having rolled out of its mother's arms on its face.

The dwelling of Mr. Frank Johnson, in Milwaukee, was lately burned. The furniture and provisions were nearly all consumed. The loss is estimated at $1,000, and there was an insurance of $350 on the building in the Milwaukee Mechanics' Mutual Insurance Company.

FAWKES' STEAM PLOW.—This famous machine is now undergoing extensive alteration and improvements at the shop of Miles Greenwood in Cincinnati, which it is thought will be completed by the 15th of May. Mr. Fawkes has interested some capitalists in his invention and it will now be fairly tested.

Potter's Reception at Home.

After Judge Potter arrived at his home near East Troy the other day, some of the citizens of that place, in a quiet way, gave notice to some of his friends and neighbors that they would probably have an opportunity to welcome home their esteemed townsman on Thursday afternoon of this week. Word was sent to Mr. Potter that his presence was desired at the village of East Troy on that afternoon. When the appointed hour came the Congregational church (the place appointed for the reception,) was filled to overflowing with those anxious to welcome home their fellow-citizen who had so manfully vindicated the right of free speech on the floor of congress, and who could not be intimidated by the insolence of a southern bully. When Judge Potter made his appearance he was greeted with such a storm of applause as must have been truly gratifying. On being informed that his friends wanted to hear from him, Mr. Potter made a few remarks entirely appropriate to the occasion, which were received with the warmest enthusiasm. He briefly referred to the protracted contest for speaker, during which time the republicans, knowing that there were but two motions in order, one to proceed to the election of speaker, and the other to adjourn, had sat with closed lips and heard their principles slandered and vilified, and every epithet that could be imagined heaped upon them, till they could stand it no longer, had many times left the house in disgust, and during this whole time not a discourteous word had fallen from the lips of a republican.

He then spoke of the great importance of maintaining freedom of speech on the floor of the house, and stated that when the chivalry attacked northern members, they did not do it on personal grounds—but to *crush out* the principles that they represent—(the case of Hickman and others proves this,) and although he thought that personal encounters were disgraceful, yet he thought it would be *far more* disgraceful to yield the rights of freedom of speech in congress—that he considered it his most sacred duty to maintain the rights of his constituents—and without the right to speak freely they would have no representation. Mr. Potter closed by saying that this meeting was most gratifying to him, and from his heart he thanked them.

Mr. Elderkin being called for, made a few appropriate remarks, after which those present came forward and congratulated Mr. Potter, and he was kept constantly shaking hands for an hour or more. Many gray haired men were among the throng, one as he came forward took Mr. P. warmly by the hand and said "God bless you Potter, stand firm to the right." The meeting was a most pleasant one, and must have been highly gratifying to Mr. Potter.—*Elkhorn Independent.*

DEMOCRATIC CONVENTION.

CHARLESTON, S. C., April 28.

The following portion of yesterday's proceedings at Charleston failed to come to hand until to-day.

CHARLESTON, April 27.

Mr. Pugh concluded his remarks by saying to the south that they wanted no mutiny on board the ship, but if the south chose to go out of it they will regret their departure, but part they must.

Mr. Cochrane of New York then took the floor and proposed his resolution sent this A. M. as substitute for the majority report, but was declared out of order.

Mr. Bishop of Connecticut moved the previous question on the platform, which caused a tremendous uproar and excitement, a dozen members being on the floor at once shouting at the top of their voices. The southern members demanded that the convention should adjourn and take a vote on the platform at noon to-morrow. A vote by states was demanded on a motion to adjourn. During the calling of the roll the noise and confusion was unprecedented.—The motion was carried by ayes 148½, nays 143.

CHARLESTON, April 28.

The convention reassembled at 10 o'clock.

Mr. Moffat of Virginia, and Josiah Randall both claimed the floor, which was given to Mr. Bigler of Pennsylvania, who proceeded to address the convention in favor of reconciling the differences and promoting union and harmony, and preserving the integrity of the democratic party. He was interrupted by Mr. Bishop of Connecticut, who claimed the floor on the ground that he moved the previous question at the time of the adjournment.

The chair decided that the motion for the previous question, last night, was not seconded, therefore Mr. Bigler was entitled to the floor.

Mr. Bigler then introduced the Bayard resolutions, hoping they might be the means of conciliation. He moved, as a means of testing the sense of the convention, that they be referred back to the committee with instructions to report the Bayard resolutions to the convention in one hour.

Mr. Richardson of Illinois denounced the motion as out of order.

Half an hour was then spent in discussing points of order.

The chair decided Mr. Bigler in order, who demanded the previous question.

Mr. Montgomery moved that the motion be laid on the table. Mr. Phillips of Pennsylvania, inquired whether the motion would not carry the whole subject, resolutions and all with it. Mr. Stuart of Michigan objected to the enquiry, saying we will ascertain that when the vote is taken. After further debate the chair stated that the motion to lay on the table the previous question, carries with it the several platforms.

Mr. Montgomery then withdrew the motion to lay on the table.

Mr. Mills of Maryland, wanted to know what would be the effect of the previous question; representing the principle slave district of Maryland, he wanted an opportunity to reply to the remarks made here by his colleague, Johnson, who he charged with misrepresenting his constituents at home, and stultifying his own previously expressed opinions. Cries of the previous question, and it was seconded at 11 o'clock.

Florida demanded a vote by states, and amid great excitement throughout the hall.

Here the minority of the Georgia delegation read a resolution of the Georgia convention, requesting but they contended not instructing their delegates to vote as a unit. Without any decision on that point, the vote was proceeded with, resulting as follows: ayes 303; nayes 1, from Maryland. So the main question was ordered.

The question then recurred on the motion of Mr. Bigler, to recommit the whole subject to the committee. They are as follows:

1st. Affirming the Cincinnati platform.

2nd. That all citizens have a right to settle in the territories, without their rights of person or property being impaired either by congressional or territorial legislation.

3d. That the democratic party stands pledged to the doctrine, that it is the duty of the government to maintain all constitutional rights of whatever kind in the territories, and to enforce the decisions of the supreme court in reference thereto.

The 4th, 5th, 6th and 7th resolutions are the 3d, 4th, 5th and 6th of those reported by the majority.

The vote was announced as follows, amid great excitement: ayes 152; nayes 151; motion carried.

The nays were—Maine 5; New Hampshire 5; Vermont 5; Massachusetts 8; Rhode Island 4; Connecticut 4½; New York 35; New Jersey 3; Pennsylvania 11; Maryland 2½; Virginia 1; Missouri 4; Tennessee 1; Ohio 23; Indiana 13; Michigan 6; Wisconsin 5; Iowa 4; Minnesota 3.

All the balance (152) were in the affirmative.

The minority is claimed as the first test of Douglas' strength, whilst the platform which will probably be adopted is anti-squatter sovereignty, on which Mr. Douglas cannot stand.

The President decided that the vote did not carry the instructions to report within an hour and that the vote would now recur on this part of Mr. Bigler's motion.

Mr. Stuart, of Michigan, moved that a vote be taken on each of the resolutions.—Sensation.

Nearly one hour more was spent in discussing questions of order.

Senator Bayard, in the meantime, endeavoring to allay the excitement.

At half past 12 the President decided that the motion to lay the balance of Mr. Bigler's proposition on the table was in order.

If it is laid on the table the three platforms without instructions as to matter of time will go to the committee, with Mr. Bigler's proposition.

When Georgia was called, the minority of the delegation protested against the vote of the state being given as a unit, on the ground that they were requested, not instructed, to vote as a unit. A debate on this point ensued, which checked the progress of the vote, and at half past one o'clock the President decided that the resolutions are equivalent to an instruction, and that Georgia must vote as a unit; being a loss of two Douglas votes.

The vote was then announced as follows: ayes, 242; nays, 47. So the platforms were all referred back to the committee without instructions.

A motion next came up to instruct committee to report at 4 o'clock this P. M.

Mr. Phillips, of Pennsylvania, moved to adjourn to 4 o'clock.

A Georgia delegate moved to adjourn to 10 o'clock, Monday.

The motions were withdrawn, and the question recurred on the motion to instruct the committee to report at 4 o'clock, which was adopted; and, at a quarter of 2 the convention adjourned till 4 o'clock.

AFTERNOON SESSION.

The convention reassembled at 4 P. M.

The committee on platform said they would not be ready to report until half past 5.

Mr. Avery, of North Carolina, reported from the majority of the committee, and in doing so urged upon the delegates of the northern states to recollect that the slaves who now grow cotton in Alabama, Mississippi and Georgia are the children of slaves who were formerly slaves in their own states.

The report of the majority is a combination of those of Messrs. Bayard, of Delaware, Cochrane, of New York, and Bigler, of Pennsylvania.

Mr. Samnels, of Iowa, reported opposing Congressional intervention and declaring that whether congress or the territorial legislature have the power to intervene, depend upon the decision of the supreme court of the United States, which decision they pledge the democratic party to sustain and abide by. He at the same time addressed the convention, appealing to them not to persist in demanding an abstraction that will drive one half of the democracy of the north into the arms of the black republicans. His speech was a powerful, earnest and effective appeal, free from all bitterness, and was listened to with the most marked interest and attention by the southern members.

When Mr. Samuels had concluded, Mr. Butler, of Massachusetts, presented another minority report, signed by Illinois, Minnesota, Massachusetts and Indiana, consisting of the Cincinnati platform, pure and simple, which he offered as a substitute for both the majority and minority report.

Mr. Stevens, of Oregon, then obtained the floor amid a struggle of a hundred contestants, and proceeded to give his reasons for sustaining the report of the majority.

Rolland J. Brett, of Maryland, took the ground that although he was opposed to squatter sovereignty, he must still, as a matter of policy, sustain the position of non-intervention. Four years ago the south demanded this principle of non-intervention, and why do they come here and demand this surrender of principle? He cautioned them upon the result of their extreme views, they could lead to nothing but the election of a black republican President and congress.

Mr. Burrows of Arkansas followed in a speech on the southern side of the question, commencing at 20 minutes to 8 o'clock.—He maintained that the south had upheld the democratic party from the beginning of the government to the present day. That the south had been foremost in fighting the battles of the country, and that in fact the democratic party was emphatically the south. The south has extended the boundaries of the country and has furnished the means at all times of paying the debts of the country. His remarks were of the most violent and inflammatory character, and amid the impatience to come to a vote the noise and confusion, clapping and stamping was so great that he could scarcely be heard beyond the rostrum. He continued, despite the noise, to speak at the highest of his voice. He considered the northern democrats as worse than black republicans. He did not care whether the black republicans whipped them or they whipped the black republicans. Of the two he considered the black republicans as the most open and manifest to the south. As to Douglas he would not support him even if he was nominated. He considered him as great an enemy to the south as the traitor Seward was.

Mr. Clarborne of Arkansas obtained the floor and said he had intended to address the convention to-night, but he had now come to the conclusion that this debate was causing a wider breach instead of producing harmony. If continued it will inevitably result in the disraption of the convention. He therefore called the previous question.

Mr. Jackson moved an adjournment.

Ohio demanded that the vote on adjournment be taken, which resulted as follows: ayes 97, nays 200, The Douglas men voted against the adjournment, and the opposition of Douglas in favor of it.

Mr. Jackson of Georgia asked a suspension of the rules to enable him to offer a resolution. The proposition was received with shouts of opposition, indicating a bitterness of feeling unprecedented.

The previous question was then ordered by acclamation. Another motion was made to adjourn; lost, ayes 139, nays 169.

Mr. Lawrence of Louisiana inquired whether a motion to adjourn sine die would be in order.

The president decided it not in order at that time.

Mr. Seward of Georgia moved a reconsideration of the vote ordering the previous question.

Mr. Cochrane of New York contended that the motion was out of order and contradictory to parliamentary law.

The president decided the motion out of order.

Mr. Jackson of Georgia moved to lay all the resolutions and platforms on the table.

Mr. Salisbury of Delaware moved that the convention adjourn.

Mr. Stewart of Michigan, contended that no business had transpired since the previous motion to adjourn, and that the motion was out of order.

Mr. Jackson renewed his motion to lay the whole subject on the table. Lost.—Ayes 25½; nays 282½.

Mr. Gettings of Maryland, moved an adjournment amidst noise and confusion that would have drowned the voice of a 24 pounder. Lost. Ayes 126; nays 178; Mr. Gettings then moved a recess for one hour. Mr. Jackson moved to re-commit all the reports; again both motions were ruled out of order.

Mr. Lawrence of Louisana, moved a call of the roll, ruled out of order. Mr. Lawrence appealed from the decision of the chair, but finally withdrew it.

A scene of disorder ensued that was almost deafening.

Mr. Butler of Massachusetts, said his side was willing to adjourn as soon as the main question was adopted.

Mr. Bigler endeavored to make a proposition, but was called to order. The president said that if this contest and uproar continued, he would feel bound in duty to himself and the convention to leave the chair, as it was physically impossible for him to take part in such a struggle and clamor.

Mr. Hunter of Virginia, hoped his friends would submit to ordering the main question.

Mr. Owens of Florida, as a southern man hoped this contest would close. Northern gentlemen have fairly met us in argument, why should we refuse to meet the issue manfully.

The president put the question, shall the main question be now put? A motion was again made to adjourn. Cries of no, no.

Capt. Rynders contended that it was an agreement to adjourn, and that it must be done. He would not consent to taking advantage of the minority, as that would be choking the gentlemen.

Another scene of great confusion, a hundred voices were addressing the chair at the same time, all shouting at the top of their voices.

Mr. Stewart of Michigan, said the majority would consent to adjourn, if he was allowed to make a motion to re-consider and lay the motion to adjourn on the table.

The motion to adjourn was put and carried, and at 10 o'clock P. M., the convention adjourned till 10 o'clock Monday morning.

CHARLESTON, Monday, April 29.

The friends of Douglas will begin the contest to-day in great confidence of his nomination on the third ballot. Friends of Dickinson equally confident, as it is believed the south will rally on him, an effort will be made to day to take the Cincinnati platform without addition.

Weather very cold.

CHARLESTON, April 30.

The convention met at 10 A. M., after prayer the president addressed the convention apologizing for the harsh language used by him during the disorder on Saturday evening. He, however, considered it his duty to speak plainly and positively. The president announced that the first business in order was the taking of a vote on the main question which was on the substitute offered.

Mr. Butler, in behalf of Massachusetts, Minnesota, Indiana and New York, presented the Cincinnati platform with a resolution for the protection of citizens of foreign birth. A vote being taken, the Butler platform was rejected by a vote of nearly two-thirds against it, ayes 105, nayes 198.

When New Jersey was called a delegate stated that the convention appointing them as delegates had recommended them to vote as a unit.

The President decided that the word recommend was equivalent to an instruction.

The decision of the chair was appealed from. A motion to lay the appeal on the table was lost, ayes 150, noes 146.

The question then occurred on sustaining the appeal.

A vote by states was demanded and resulted in ayes 145, thus reversing the decision. This result is a gain of two votes in New Jersey, and Georgia will also claim its right to vote by districts.

The next vote will be on the adoption of the minority report, when Alabama, Arkansas and Mississippi in a body, and a portion of Louisiana and other states will present their protest and withdraw from the convention.

WASHINGTON, April 29.

A very cool calculating and thoroughly informed friend of Mr. Hunter, who has just returned to this city after a week's sojourn at Charleston, says that things are just as well known here or at New York as at Charleston, nevertheless he antagonists the idea expressed by a remarkably careful southern democratic senator, that a third of the southern delegates will support Mr. Douglas. Twenty is the extent of his allowance and in that number is included a large support from the Tennessee delegation. He also says that Mr. Guthrie cannot unite the south, a fact that has reason on its side since such men as Messrs. Hunter, Davis, Gov. Johnson and Breckenridge can hardly favor a nomination that must indefinitely postpone their chances.

The committee on territories in the house are considering the subject of a new territory to be composed of the upper portion of Decotah and Nebraska, to be called Chippewa. In that event the same committee will report in favor of organizing Decotah out of the southern portion of the territory of that name, and part of Nebraska. Should congress establish the northern overland wagon road, it will pass directly through the centre of the proposed new territory of Chippewa.

WASHINGTON, April 30.

HOUSE.—The house went into committee of the whole on the state of the Union.

Mr. Moore, of Alabama, opposed the tariff bill. A republican seized upon the payment of the public debt, which was comparatively small, as a pretext to increase the duties whenever their trade had been tried. The result has proven the wisdom of that policy. We should not abandon the advantage gained in that direction.

SENATE.—Sundry memorials and petitions were presented.

On motion of Mr. Latham, the report of the judiciary committee, on the petition of Geo. L. Barnard, in regard to the estate of David C. Broderick, was recommitted.

Mr. Doolittle moved to take up the bill for the relief of Aaron Dodge.

Mr. Lane said that as there was such a small attendance, he was opposed to doing business.

Mr. Johnson, of Arkansas, moved, that when the Senate adjourn, it be till Wednesday next. Carried.

On motion of Mr. Green, the Senate adjourned till Wednesday.

Later by the Vanderbilt.

NEW YORK, April 28.

The Times London correspondent says: I visited Heenan last evening and found him most comfortable and in excellent spirits.—He is anxious to to fight Sayers as soon as possible, if he is not satisfied with the present result. The indignation of the Americans here, and in fact a large portion of the British public, is loudly and vehemently expressed. The ring was broken into by a pack of theives who used the excuse to rob every one. It was well known that Mr. Heenan would not be allowed to carry the champion belt out of the country, and the Englishmen who had bet their all on Sayers, as soon as they found their champion was losing, resorted to the most unfair means, kicking Heenan and pulling him down.

A meeting of the Americans will take place in London to-night, and you may expect to see some controversies in the papers. Mr. George Wilkes will demand the belt for Heenan, and will furnish testimony to prove he is entitled to it. Of one thing your readers may be certain: Heenan's rights will be properly attended to, and his position will be maintained to the last. The Tribune says: A gentleman now at the St. Nicholas, and who witnessed the fight, says that when Heenan had got Sayers into such a position that he must inevitably have won the battle, John Morrissey cut the ropes and let Heenan fall to the ground.

FARTHER POINT, April 30.

The steamship North Briton from Liverpool 18th, via Queenstown, has arrived off this point on her way to Quebec. The news is one day later than by the Vanderbilt at New York.

The fight continued to attract great attention. The referees decision in relation to the future had not been announced.

The London Times says the supporters of both men were satisfied that a drawn battle had been decided. The same journal has a qualified eulogy on the fight. It is thought Sayers was confident of victory in ten minutes more; that Heenan's friends requested the referee to stop the fight.

The steamship Milo from New York to London had put into Dartmouth short of coal with the loss of rigging, &c.

MOST EXTRAORDINARY RESULTS
FROM THE USE OF
WINCHESTER'S GENUINE
Hypophosphites
IN THE CURE OF CONSUMPTION.
I need only call the attention of all Consumptive sufferers, whether in advanced or the incipient stage of the disease, to the following extract from a letter addressed to me by a physician of great experience, and extensive practice in Chester Co., Pa. The voluntary evidence of professional men, such as that of Dr. Townsend, ought to convince the most skeptical of the extraordinary efficacy of my preparation of Hypophosphites:
CHATHAM, Pa., 3d Month 26th, 1860.
FRIEND J. WINCHESTER:— * * Thirty-six persons have obtained the medicine from me, twelve of whom have been under my own care. Five of them were, in my opinion, and in the judgment of other physicians, hopeless cases of Phthisis—irritable cough, copious expectorations of a purulent character, night sweats and emaciation. These cases were from one to three years' standing. Auscultation and percussion developed sounds which, taken in connection with other symptoms, gave evidence of a condition from which I have never, in seventeen years' practice, seen a single case recover by any other treatment. * * Under the use of the Hypophosphites, all the bad symptoms ceased; they have gained flesh and strength and health—some of them better than they had enjoyed for seven years previously.
The other cases under my care were in the incipient stage, and in them all symptoms and traces of the disease have disappeared. Of those who were not under my care, I have not heard of a single patient who himself benefitted by the use of the remedy, although in some of them the disease was too far advanced to admit the possibility of recovery.
I presume I am as skeptical in medicines or specifics as most physicians; yet, from the experience I have had in the use of Dr. J. F. Churchill's Remedy for Tuberculosis, I would say to all who have a tendency to that disease—take it, and the sooner the better, before there is any disorganization. * *
W. W. TOWNSEND, M. D.

The Hypophosphites of Lime and Soda
act with promptness and certainty in every stage of Consumption, and with invariable efficacy in all derangements of the nervous and blood systems, general debility, dyspepsia, asthma, rickets, female complaints, spermatorrhea, in all disorders dependent on imperfect or impaired nutrition, and in all cases of local or constitutional debility. They increase the nervous or vital energy, relieve cough, check night sweats, diminish expectoration, improve the appetite, arrest diarrhea, procure more refreshing sleep, and create new and healthier blood. A fair trial is a certain cure.

Winchester's Genuine Preparation
of the Hypophosphites of Lime and Soda, is the only reliable form of Dr. Churchill's remedy, and is approved by the medical profession generally. Use no other or any remedy containing iron.

The Charleston Convention.

Our reports from Charleston show increased excitement and bitterness between the contending factions which compose the democratic convention. The point in dispute is whether the platform shall state that congress shall interfere directly to protect slavery in the territories, or whether the squatter sovereignty dodge shall be tried again. It would appear that the Douglas wing of the convention on the final votes were the strongest. This gave the Douglas men great hopes of his nomination, while the friends of Dickinson were equally hopeful. This is evidently a trying time with the democracy, and if the party in the country is composed of materials similar to that of the convention, they must separate into fragments during the presidential campaign. If Douglas is nominated he cannot get the entire support of the party, and without union it will be impossible to elect him. The moment he is nominated there will be a strong party formed in the south to oppose him. This would help him in the north, if the northern people had any confidence in him, but he is the author of the repeal of the Missouri compromise, and he accepts the opinion of the supreme court in the Dred Scott decision; no man can carry these two loads successfully through a campaign in the north.

The convention which is to be held at Chicago will present a marked contrast with that at Charleston. It will be a united body of men who will not quarrel a week over their platform, but will adopt it in a single day. Republicans are not divided in sentiment upon any national question, hence there will be no difficulty on that score. They may have diverse opinions as to the best men for candidates, but will soon arrive at a unanimous conclusion upon that point, when they will adjourn confident of a victory over their divided opponents.

PARDON OF BOOTH.—The Milwaukee Sentinel gives currency to a rumor, which it regards "as probably well founded," that Mr. Booth will be pardoned early this week.

☞ L. Johnson, the well known type founder at Philadelphia, died last week, of paralysis. He was known throughout the country as one of our oldest and most successful type founders.

☞ Nicholas Vail, the young man who was stabbed in a saloon at Chicago, not long since, is recovering.

☞ Mr. Buchanan is so vexed at the disclosures made by the investigating committee of the house, that he threatens to veto any bill containing appropriations to pay their expenses. It is proposed to be even with him by refusing to appropriate money for the contingent expenses of his household.

STEAMBOAT DISASTER.—The steamboat T. Lacy, Capt. Taylor, from St. Louis to New Orleans, was burnt on the night of the 25th at the foot of Island Sixteen, not far from Memphis, Tenn. The passengers and officers were saved. Seven children and 6 of the crew were known to be lost. The boat and her cargo are a total loss; the former was valued at $60,000 and insured for $10,000; the cargo was valued at $120,000 and uninsured. The books and papers were lost.

A CHICAGO VESSEL LOST.—The brig J. H. Harmon floated ashore at Cleveland on Thursday. It is supposed that she came in contact with a field of ice in Lake Erie and was wrecked, and all on board lost. She was valued at $6,000, and owned in Chicago.

The New York Herald has a dispatch stating that one hundred and twelve southern members of the convention have pledged themselves in caucus, to each other, never to vote for Douglas, in any case.

SUDDEN DEATH.—About noon yesterday, April 3d, the remains of Asa Story, a jobber in the pinery, were brought down the Red Cedar river to this place. It seems that the deceased had been quite well till Thursday night when he came into camp complaining of pains and fever symptoms. He grew rapidly worse till Monday morning, when his friends became alarmed and placed him in a canoe, and started down the river, 120 miles to this place. They arrived Monday night at the residence of Captain Moore, 6 miles above Menomonee, where he died at half-past 12 o'clock that night.

The deceased was about 32 years old, was an industrious, worthy man, and had many friends among our lumbermen, who mourn his loss.—*Dunn County Lumberman.*

Mr. Story formerly lived in this county, and his parents reside in Johnstown at this time.

A WARNING TO MOTHERS.—A child nine weeks old was smothered to death in a feather bed on Monday, in St. Louis, having rolled out of its mother's arms on its face.

The dwelling of Mr. Frank Johnson, in Pewaukee, was lately burned. The furniture and provisions were nearly all consumed. The loss is estimated at $1,000, and there was an insurance of $350 on the building in the Milwaukee Mechanics' Mutual Insurance Company.

FAWKES' STEAM PLOW.—This famous machine is now undergoing extensive alteration and improvements at the shop of Miles Greenwood in Cincinnati, which it is thought will be completed by the 15th of May. Mr. Fawkes has interested some capitalists in his invention and it will now be fairly tested.

Potter's Reception at Home.

After Judge Potter arrived at his home near East Troy the other day, some of the citizens of that place, in a quiet way, gave notice to some of his friends and neighbors that they would probably have an opportunity to welcome home their esteemed townsman on Thursday afternoon of this week. Word was sent to Mr. Potter that his presence was desired at the village of East Troy on that afternoon. When the appointed hour came the Congregational church (the place appointed for the reception,) was filled to overflowing with those anxious to welcome home their fellow-citizen who had so manfully vindicated the right of free speech on the floor of congress, and who could not be intimidated by the insolence of a southern bully. When Judge Potter made his appearance he was greeted with such a storm of applause as must have been truly gratifying. On being informed that his friends wanted to hear from him, Mr. Potter made a few remarks entirely appropriate to the occasion, which were received with the warmest enthusiasm. He briefly referred to the protracted contest for speaker, during which time the republicans, knowing that there were but two motions in order, one to proceed to the election of speaker, and the other to adjourn, had sat with closed lips and heard their principles slandered and vilified, and every epithet that could be imagined heaped upon them, till they could stand it no longer, had many times left the house in disgust, and during this whole time not a discourteous word had fallen from the lips of a republican.

He then spoke of the great importance of maintaining freedom of speech on the floor of the house, and stated that when the chivalry attacked northern members, they did not do it on personal grounds—but to *crush out* the principles that they represent—(the case of Hickman and others proves this,) and although he thought that personal encounters were disgraceful, yet he thought it would be *far more* disgraceful to yield the rights of freedom of speech in congress—that he considered it his most sacred duty to maintain the rights of his constituents—and without the right to speak freely they would have no representation. Mr. Potter closed by saying that this meeting was most gratifying to him, and from his heart he thanked them.

Mr. Elderkin being called for, made a few appropriate remarks, after which those present came forward and congratulated Mr. Potter, and he was kept constantly shaking hands for an hour or more. Many gray haired men were among the throng, one as he came forward took Mr. P. warmly by the hand and said "God bless you Potter, stand firm to the right." The meeting was a most pleasant one, and must have been highly gratifying to Mr. Potter.—*Elkhorn Independent.*

REPORTED FOR THE MORNING GAZETTE.

BY WISCONSIN STATE TELEGRAPH LINE,
Office in Union Passenger Depot.

DEMOCRATIC CONVENTION.

CHARLESTON, S. C., April 28.

The following portion of yesterday's proceedings at Charleston failed to come to hand until to-day.

CHARLESTON, April 27.

Mr. Pugh concluded his remarks by saying to the south that they wanted no mutiny on board the ship, but if the south chose to go out of it they will regret their departure, but part they must.

Mr. Cochrane of New York then took the floor and proposed his resolution sent this A. M. as substitute for the majority report, but was declared out of order.

Mr. Bishop of Connecticut moved the previous question on the platform, which caused a tremendous uproar and excitement, a dozen members being on the floor at once shouting at the top of their voices. The southern members demanded that the convention should adjourn and take a vote on the platform at noon to-morrow. A vote by states was demanded on a motion to adjourn. During the calling of the roll the noise and confusion was unprecedented.—The motion was carried by ayes 148½, nays 143.

CHARLESTON, April 28.

The convention reassembled at 10 o'clock.

Mr. Moffat of Virginia, and Josiah Randall both claimed the floor, which was given to Mr. Bigler of Pennsylvania, who proceeded to address the convention in favor of reconciling the differences and promoting union and harmony, and preserving the integrity of the democratic party. He was interrupted by Mr. Bishop of Connecticut, who claimed the floor on the ground that he moved the previous question at the time of the adjournment.

The chair decided that the motion for the previous question, last night, was not seconded, therefore Mr. Bigler was entitled to the floor.

Mr. Bigler then introduced the Bayard resolutions, hoping they might be the means of conciliation. He moved, as a means of testing the sense of the convention, that they be referred back to the committee with instructions to report the Bayard resolutions to the convention in one hour.

Mr. Richardson of Illinois denounced the motion as out of order.

Half an hour was then spent in discussing points of order.

The chair decided Mr. Bigler in order, who demanded the previous question.

Mr. Montgomery moved that the motion be laid on the table. Mr. Phillips of Pennsylvania, inquired whether the motion would not carry the whole subject, resolutions and all with it. Mr. Stuart of Michigan objected to the enquiry, saying we will ascertain that when the vote is taken. After further debate the chair stated that the motion to lay on the table the previous question, carries with it the several platforms.

Mr. Montgomery then withdrew the motion to lay on the table.

Mr. Mills of Maryland, wanted to know what would be the effect of the previous question; representing the principle slave district of Maryland, he wanted an opportunity to reply to the remarks made here by his colleague, Johnson, who he charged with misrepresenting his constituents at home, and stultifying his own previously expressed opinions. Cries of the previous question, and it was seconded at 11 o'clock.

Florida demanded a vote by states, and amid great excitement throughout the hall.

Here the minority of the Georgia delegation read a resolution of the Georgia convention, requesting but they contended not instructing their delegates to vote as a unit. Without any decision on that point, the vote was proceeded with, resulting as follows: ayes 363, nayes 1, from Maryland. So the main question was ordered.

The question then recurred on the motion of Mr. Bigler, to recommit the whole subject to the committee, They are as follows:

1st. Affirming the Cincinnati platform.

2nd. That all citizens have a right to settle in the territories, without their righes of person or property being impaired either by congressional or territorial legislation.

3d. That the democratic party stands pledged to the doctrine, that it is the duty of the government to maintain all constitutional rights of whatever kind in the territories, and to enforce the decisions of the supreme court in reference thereto.

The 4th, 5th, 6th and 7th resolutions are the 3d, 4th, 5th and 6th of those reported by the majority.

The vote was announced as follows, amid great excitement: ayes 152; nayes 151; motion carried.

The nays were—Maine 5; New Hampshire 5; Vermont 5; Massachusetts 5; Rhode Island 4; Connecticut 4½; New York 35; New Jersey 3; Pennsylvania 11; Maryland 2½; Virginia 1; Missouri 4; Tennessee 1; Ohio 23; Indiana 13; Michigan 6; Wisconsin 5; Iowa 4; Minnesota 3.

All the balance (152) were in the affirmative.

The minority is claimed as the first test of Douglas' strength, whilst the platform which will probably be adopted is anti-squatter sovereignty, on which Mr. Douglas cannot stand.

The President decided that the vote did not carry the instructions to report within an hour and that the vote would now recur on this part of Mr. Bigler's motion.

Mr. Stuart, of Michigan, moved that a vote be taken on each of the resolutions.—Sensation.

Nearly one hour more was spent in discussing questions of order.

Senator Bayard, in the meantime, endeavoring to allay the excitement.

At half past 12 the President decided that the motion to lay the balance of Mr. Bigler's proposition on the table was in order.

If it is laid on the table the three platforms without instructions as to matter of time will go to the committee, with Mr. Bigler's proposition.

When Georgia was called, the minority of the delegation protested against the vote of the state being given as a unit, on the ground that they were requested, not instructed, to vote as a unit. A debate on this point ensued, which checked the progress of the vote, and at half past one o'clock the President decided that the resolutions are equivalent to an instruction, and that Georgia must vote as a unit; being a loss of two Douglas votes.

The vote was then announced as follows: ayes, 242; nays, 47. So the platforms were all referred back to the committee without instructions.

A motion next came up to instruct committee to report at 4 o'clock this P. M.

Mr. Phillips, of Pennsylvania, moved to adjourn to 4 o'clock.

A Georgia delegate moved to adjourn to 10 o'clock, Monday.

The motions were withdrawn, and the question recurred on the motion to instruct the committee to report at 4 o'clock, which was adopted; and, at a quarter of 2 the convention adjourned till 4 o'clock.

AFTERNOON SESSION.

The convention reassembled at 4 P. M.

The committee on platform said they would not be ready to report until half past 5.

Mr. Avery, of North Carolina, reported from the majority of the committee, and in doing so urged upon the delegates of the northern states to recollect that the slaves who now grow cotton in Alabama, Mississippi and Georgia are the children of slaves who were formerly slaves in their own states.

The report of the majority is a combination of those of Messrs. Bayard, of Delaware, Cochrane, of New York, and Bigler, of Pennsylvania.

Mr. Samuels, of Iowa, reported opposing Congressional intervention and declaring that whether congress or the territorial legislature have the power to intervene, depend upon the decision of the supreme court of the United States, which decision they pledge the democratic party to sustain and abide by. He at the same time addressed the convention, appealing to them not to persist in demanding an abstraction that will drive one half of the democracy of the north into the arms of the black republicans. His speech was a powerful, earnest and effective appeal, free from all bitterness, and was listened to with the most marked interest and attention by the southern members.

When Mr. Samuels had concluded, Mr. Butler, of Massachusetts, presented another minority report, signed by Illinois, Minnesota, Massachusetts and Indiana, consisting of the Cincinnati platform, pure and simple, which he offered as a substitute for both the majority and minority report.

Mr. Stevens, of Oregon, then obtained the floor amid a struggle of a hundred contestants, and proceeded to give his reasons for sustaining the report of the majority.

Rolland J. Brett, of Maryland, took the ground that although he was opposed to squatter sovereignty, he must still, as a matter of policy, sustain the position of non-intervention. Four years ago the south demanded this principle of non-intervention, and why do they come here and demand this surrender of principle? He cautioned them upon the result of their extreme views, they could lead to nothing but the election of a black republican President and congress.

Mr. Burrows of Arkansas followed in a speech on the southern side of the question, commencing at 20 minutes to 8 o'clock.—He maintained that the south had upheld the democratic party from the beginning of the government to the present day. That the south had been foremost in fighting the battles of the country, and that in fact the democratic party was emphatically the south. The south has extended the boundaries of the country and has furnished the means at all times of paying the debts of the country. His remarks were of the most violent and inflammatory character, and amid the impatience to come to a vote the noise and confusion, clapping and stamping was so great that he could scarcely be heard beyond the rostrum. He continued, despite the noise, to speak at the highest of his voice. He considered the northern democrats as worse than black republicans. He did not care whether the black republicans whipped them or they whipped the black republicans. Of the two he considered the black republicans as the most open and manifest to the south. As to Douglas he would not support him even if he was nominated. He considered him as great an enemy to the south as the traitor Seward was.

Mr. Clarborne of Arkansas obtained the floor and said he had intended to address the convention to-night, but he had now come to the conclusion that this debate was causing a wider breach instead of producing harmony. If continued it will inevitably result in the disruption of the convention. He therefore called the previous question.

Mr. Jackson moved an adjournment.

Ohio demanded that the vote on adjournment be taken, which resulted as follows: ayes 97, nays 200. The Douglas men voted against the adjournment, and the opposition of Douglas in favor of it.

Mr. Jackson of Georgia asked a suspension of the rules to enable him to offer a resolution. The proposition was received with shouts of opposition, indicating a bitterness of feeling unprecedented.

The previous question was then ordered by acclamation. Another motion was made to adjourn; lost, ayes 139, nays 169.

Mr. Lawrence of Louisiana inquired whether a motion to adjourn sine die would be in order.

The president decided it not in order at that time.

Mr. Seward of Georgia moved a reconsideration of the vote ordering the previous question.

Mr. Cochrane of New York contended that the motion was out of order and contradictory to parliamentary law.

The president decided the motion out of order.

Mr. Jackson of Georgia moved to lay all the resolutions and platforms on the table.

Mr. Salisbury of Delaware moved that the convention adjourn.

Mr. Stewart of Michigan, contended that no business had transpired since the previous motion to adjourn, and that the motion was out of order.

Mr. Jackson renewed his motion to lay the whole subject on the table. Lost.—Ayes 25½; nays 282½.

Mr. Gettings of Maryland, moved an adjournment amidst noise and confusion that would have drowned the voice of a 24 pounder. Lost. Ayes 126; nays 178; Mr. Gettings then moved a recess for one hour. Mr. Jackson moved to re-commit all the reports; again both motions were ruled out of order.

Mr. Lawrence of Louisana, moved a call of the roll, ruled out of order. Mr. Lawrence appealed from the decision of the chair, but finally withdrew it.

A scene of disorder ensued that was almost deafening.

Mr. Butler of Massachusetts, said his side was willing to adjourn as soon as the main question was adopted.

Mr. Bigler endeavored to make a proposition, but was called to order. The president said that if this contest and uproar continued, he would feel bound in duty to himself and the convention to leave the chair, as it was physically impossible for him to take part in such a struggle and clamor.

Mr. Hunter of Virginia, hoped his friends would submit to ordering the main question.

Mr. Owens of Florida, as a southern man hoped this contest would close. Northern gentlemen have fairly met us in argument, why should we refuse to meet the issue manfully.

The president put the question, shall the main question be now put? A motion was again made to adjourn. Cries of no, no.

Capt. Rynders contended that it was an agreement to adjourn, and that it must be done. He would not consent to taking advantage of the minority, as that would be choking the gentlemen.

Another scene of great confusion, a hundred voices were addressing the chair at the same time, all shouting at the top of their voices.

Mr. Stewart of Michigan, said the majority would consent to adjourn, if he was allowed to make a motion to re-consider and lay the motion to adjourn on the table.

The motion to adjourn was put and carried, and at 10 o'clock P. M., the convention adjourned till 10 o'clock Monday morning.

CHARLESTON, Monday, April 29.

The friends of Douglas will begin the contest to-day in great confidence of his nomination on the third ballot. Friends of Dickinson equally confident, as it is believed the south will rally on him, an effort will be made to day to take the Cincinnati platform without addition.

Weather very cold.

CHARLESTON, April 30.

The convention met at 10 A. M., after prayer the president addressed the convention apologizing for the harsh language used by him during the disorder on Saturday evening. He, however, considered it his duty to speak plainly and positively. The president announced that the first business in order was the taking of a vote on the main question which was on the substitute offered.

Mr. Butler, in behalf of Massachusetts, Minnesota, Indiana and New York, presented the Cincinnati platform with a resolution for the protection of citizens of foreign birth. A vote being taken, the Butler platform was rejected by a vote of nearly two-thirds against it, ayes 105, nayes 198.

When New Jersey was called a delegate stated that the convention appointing them as delegates had recommended them to vote as a unit.

The President decided that the word recommend was equivalent to an instruction.

The decision of the chair was appealed from. A motion to lay the appeal on the table was lost, ayes 150, noes 146.

The question then occurred on sustaining the appeal.

A vote by states was demanded and resulted in ayes 145, thus reversing the decision. This result is a gain of two votes in New Jersey, and Georgia will also claim its right to vote by districts.

The next vote will be on the adoption of the minority report, when Alabama, Arkansas and Mississippi in a body, and a portion of Louisiana and other states will present their protest and withdraw from the convention.

WASHINGTON, April 29.

A very cool calculating and thoroughly informed friend of Mr. Hunter, who has just returned to this city after a week's sojourn at Charleston, says that things are just as well known here or at New York as at Charleston, nevertheless he antagonists the idea expressed by a remarkably careful southern democratic senator, that a third of the southern delegates will support Mr. Douglas. Twenty is the extent of his allowance and in that number is included a large support from the Tennessee delegation. He also says that Mr. Guthrie cannot unite the south, a fact that has reason on its side since such men as Messrs. Hunter, Davis, Gov. Johnson and Breckenridge can hardly favor a nomination that must definitely postpone their chances.

The committee on territories in the house are considering the subject of a new territory to be composed of the upper portion of Decotah and Nebraska, to be called Chippewa. In that event the same committee will report in favor of organizing Decotah out of the southern portion of the territory of that name, and part of Nebraska. Should congress establish the northern overland wagon road, it will pass directly through the centre of the proposed new territory of Chippewa.

WASHINGTON, April 30.

HOUSE.—The house went into committee of the whole on the state of the Union.

Mr. Moore, of Alabama, opposed the tariff bill. A republican seized upon the payment of the public debt, which was comparatively small, as a pretext to increase the duties whenever their trade had been tried. The result has proven the wisdom of that policy. We should not abandon the advantage gained in that direction.

SENATE.—Sundry memorials and petitions were presented.

On motion of Mr. Latham, the report of the judiciary committee, on the petition of Geo. L. Barnard, in regard to the estate of David C. Broderick, was recommitted.

Mr. Doolittle moved to take up the bill for the relief of Aaron Dodge.

Mr. Lane said that as there was such a small attendance, he was opposed to doing business.

Mr. Johnson, of Arkansas, moved, that when the Senate adjourn, it be till Wednesday next. Carried.

On motion of Mr. Green, the Senate adjourned till Wednesday.

Later by the Vanderbilt.

NEW YORK, April 28.

The Times London correspondent says: I visited Heenan last evening and found him most comfortable and in excellent spirits.—He is anxious to to fight Sayers as soon as possible, if he is not satisfied with the present result. The indignation of the Americans here, and in fact a large portion of the British public, is loudly and vehemently expressed. The ring was broken into by a pack of theives who used the excuse to rob every one. It was well known that Mr. Heenan would not be allowed to carry the champion belt out of the country, and the Englishmen who had bet their all on Sayers, as soon as they found their champion was losing, resorted to the most unfair means, kicking Heenan and pulling him down.

A meeting of the Americans will take place in London to-night, and you may expect to see some controversies in the papers. Mr. George Wilkes will demand the belt for Heenan, and will furnish testimony to prove he is entitled to it. Of one thing your readers may be certain: Heenan's rights will be properly attended to, and his position will be maintained to the last. The Tribune says: A gentleman now at the St. Nicholas, and who witnessed the fight, says that when Heenan had got Sayers into such a position that he must inevitably have won the battle, John Morrissey cut the ropes and let Heenan fall to the ground.

FARTHER POINT, April 30.

The steamship North Briton from Liverpool 18th, via Queenstown, has arrived off this point on her way to Quebec. The news is one day later than by the Vanderbilt at New York.

The fight continued to attract great attention. The referees decision in relation to the future had not been announced.

The London Times says the supporters of both men were satisfied that a drawn battle had been decided. The same journal has a qualified eulogy on the fight. It is thought Sayers was confident of victory in ten minutes more; that Heenan's friends requested the referee to stop the fight.

The steamship Milo from New York to London had put into Dartmouth short of coal with the loss of rigging, &c.

MOST EXTRAORDINARY RESULTS
FROM THE USE OF
WINCHESTER'S GENUINE
Hypophosphites
IN THE CURE OF CONSUMPTION.

I need only call the attention of all Consumptive sufferers, whether in advanced or the incipient stage of the disease, to the following extract from a letter addressed to me by a physician of great experience, and extensive practice in Chester Co., Pa. The voluntary evidence of professional men, such as that of Dr. Townsend, ought to convince the most skeptical of the extraordinary efficacy of my preparation of Hypophosphites:
CHATHAM, PA., 3d Month, 26th, 1860.
FRIEND J. WINCHESTER:— * * Thirty-six persons have obtained the medicine from me, twelve of whom have been under my own care. Five of them were, in my opinion, and in the judgment of other physicians, hopeless cases of Phthisis—irritable cough, copious expectorations of a purulent character, night sweats and emaciation. These cases were from one to three years' standing. Auscultation and percussion developed sounds which, taken in connection with other symptoms, gave evidence of a condition from which I have never, in seventeen years' practice, seen a single case recover by any other treatment. * * Under the use of the Hypophosphites, all the bad symptoms ceased; they have gained flesh and strength and health—some of them better than they had enjoyed for seven years previously.
The other cases under my care were in the incipient stage, and in them all symptoms and traces of the disease have disappeared. Of those who were not under my care, I have not heard of a single patient who himself benefitted by the use of the remedy, although in some of them the disease was too far advanced to admit the possibility of recovery.
I presume I am as skeptical in medicines or specifics as most physicians; yet, from the experience I have had in the use of Dr. J. F. Churchill's Remedy for Tuberculosis, I would say to all who have a tendency to that disease—take it, and the sooner the better, before there is any disorganization.
W. W. TOWNSEND, M. D.

The Hypophosphites of Lime and Soda
act with promptness and certainty in every stage of Consumption, and with invariable efficacy in all derangements of the nervous and blood systems, general debility, dyspepsia, asthma, rickets, female complaints, spermatorrhea, in all disorders dependent on imperfect or impaired nutrition, and in all cases of local or constitutional debility. They increase the nervous or vital energy, relieve cough, check night sweats, diminish expectoration, improve the appetite, arrest diarrhoea, promote refreshing sleep, and create new and healthful blood. A fair trial is a certain cure.

Winchester's Genuine Preparation
of the Hypophosphites of Lime and Soda, is the only reliable form of Dr. Churchill's remedy, and is approved by the medical profession generally. Use no other or any remedy containing iron.
PRICES.—In 7 and 16 ounce (pint) bottles, $1 and $2 each.

The Home Concert.—Mr. Wilson's concert will take place at Lappin's Hall on Friday evening. The programme is a very full one, and we all know that Mr. W. will fail to give us good music. We trust our citizens will generally turn out and patronize our home concerts, instead of paying money to travelling companies. The exertions which have been made by Mr. Wilson to develope musical talent in our city should meet with reward from our citizens.

The Weather is yet cold and dry. The ground is frozen to the depth of almost six feet, without moisture, and the winds blow clouds of dust in the roads. Wheat is being injured by the drouth, and grass and grass.

Justice.

We spend last Saturday evening, during the rehearsal for Mr. Wilson's concert on Tuesday evening next, and were really charmed—the programme will be selected of a great variety, and is rendered with much taste, and our citizens will certainly have a rich and rare treat. The new national song, "The Star of Banker Hill" is a splendid quartette, and was most feelingly rendered. "The Convent Bell," "Touch the Soft Harp Gently," and the "Navy Boatman's Song," were very well sung—indeed were all the pieces we listened to. Mr. Wilson has labored hard and has done much for both the pleasure and benefit of the musical portion of Janesville, and we hope our citizens will generously favor us with a concert in a way most suited to liberal patronage.

X.

For the Daily Gazette.

Mr. Editor:—We read this morning one of the important institutions of our goodly city. It is a great promoter of health, and without health of mind and body a man is to society, to his friends, to himself. Life is robbed of its comfort and armed with stings to torment its possessor. It is a source of annoyance to young men to find their strength giving way just as it is full of honor or usefulness opens before them, and those who have gained a competence are rendered miserable, at the very period when good health would have enabled them to enjoy their wealth. Such experiences are common among various classes of society, and the sole cause has been neglect of exercise. The ancients were wiser in this matter than we. Their games and sports in athletic outdoor exercises were popular for control of and recreation of men.

We are glad to see a new interest awakened in all parts of the country in exercise. Gymnasiums are well patronized in all the cities, towns and cities. The best men and women are more in daily exercise, and find the greatest benefit.

Dr. Thompson of Buffalo, saved his life and his stomach by a careful course of gymnastic exercises. Despepsia and consumption have escaped large benefits from it, and many feeble, puny cripplings have become [illegible] men.

This question should be well patronized in this city, by those who are shut up in [illegible] shops, stores and offices. Most [illegible] would follow, though pills and powders might soon be at a discount, except for the ladies, who are shut out of the gymnasium.

A committee of the Canadian Parliament have declared the election of Quebec void on account of the violence and illegal voting, and propose to declare the city disfranchised for the remainder of the session as a punishment for tolerating such abuses.

Manufactures in Cincinnati.—A complete canvass of Cincinnati has lately been made with a view to obtain information in reference to its manufacturing interest. It appears there are engaged as operatives in manufacturing and mechanical pursuits, 23,151 men; 1,422 girls; and 919 boys.—The value of the aggregate annual production is $53,592,119. The result of this canvass seems to have disappointed the association by which undertook it. Some branches which were imagined to be very extensive, seem to fall short when the figures are actually shown, while others of unpretentious dimensions give a more favorable exhibit than were anticipated.

The largest business in the city is that of clothing and of shoes, which annually produce to the amount of nearly $8,000,000, about $4,000,000 only are produced by the forty-four brick and machineries of the city. In the manufacture of billiard tables, 117 men are employed; while 265 yearly labor in the production of lager beer, to the amount of over $2,000,000 worth.

In the manufacture of lucifer matches, 10 girls and 10 boys produce some $60,000 annually. In the city there are nine potteries, employing 191 men and boys, and producing annually $167,000. The report from which we compile these items complains of the use of water for manufacturing purposes, it being about three times as expensive as in the generality of manufacturing towns.

A contemporary inquires if the young ladies of the present day are fitted for wives. To us the more important inquiry is, whether they are fated for husbands.

Sharp as a Needle.—The following *bon mot* was started out west: A busy housewife was sitting in a doorway plying her needle. Her husband lounging on the rail, his foot slipped and he bruised his knee on the door stone. "O," said he, groaning, "I have broken the bone I am sure." "Well, then" said she, holding up her needle, with its eye broken out, "you and I have done very nearly the same thing." "How so?" "Why, don't you see," said she, "I have broken the *eye of the needle, man,* and you have broken the *knee of the idle man.*"

Life Insurance.—Those desiring this *safest* and *cheapest* protection for their families, can secure it in our Wisconsin company. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

Thus while duty demands that men should insure their lives, it also demands that they should keep their money for investment at home. Confident that our success has been more than equal to that of the most "unprecedented," we would cordially invite all our citizens to call at the office, south-west corner of Main and Wisconsin streets, and examine for themselves.

S. S. DAGGETT, Pres't.

A. W. Kellogg, Sec'y.

☞ Messrs. Pixley & Harlow, produce dealers, and Capt. Geo. S. Dodge will receive applications for insurance in this home company, and will also be happy to give information as to the condition thereof, to any one desirous of being informed, in Janesville. apr13dawtly

Non-Explosive Burning Fluid

USED WITH SAFETY & ECONOMY.

The Best in the Market.

Palmer's Drug and Tea Store.

WE have, for several years past dealt largely in BURNING FLUID, and have always, thus far, kept fully *up to the times,* in any improvements made in its manufacture. Nearly a year ago, in an appeal in favor of its more general use, based upon the fact that the raw material from which it is made, is mainly the product of our own farms, we publicly announced that there was, at the temperature at which it is generally used, "no explosive power whatever in Burning Fluid, *as now made by those who understand the business in which they are engaged.* That injury from its use was either the result of gross carelessness, or of undue alarm caused by a belief in its explosive power," &c. Since then we have manufactured and sold thousand of gallons to consumers in this city and vicinity, and if our assumption was an erroneous one, it would undoubtedly have been discovered ere this.

We are prepared to submit our Fluid to any test the public may call for, satisfied that, with ordinary care, *no safer, better or more agreeable light can be produced.* As we are indebted to no travelling "Prof. Quack—O" for the high state of perfection attained by us in its manufacture, we are, as usual, prepared to offer our Fluid at the *LOWEST MARKET FIGURES,* and to guarantee entire satisfaction in its use, or the money refunded. THE HOME CONCERT.—Mr. Wilson's concert will take place at Lappin's Hall on Tuesday evening. The programme is a very good one, and we all know that Mr. W. never fails to give us good music. We trust our citizens will generally turn out and patronize the effort to get up home concerts, instead of paying money to travelling companies. The exertions which have been made by Mr. Wilson to develope musical taste in our city should meet with reward and encouragement.

THE WEATHER is yet cold and dry. The ground for two feet in depth is almost entirely without moisture, and the winds blow the soil about in clouds of dust in the roads and fields. Wheat is being injured by the drouth, as well as oats and grass.

☞ The annual meeting of the Young Men's Christian Association, for the election of officers for the ensuing year, will be held at 7½ o'clock this evening at the rooms of the association.

For the Daily Gazette.

MESSRS. EDITORS:—Allow me to correct the statement of your correspondent T. The funds belonging to the first ward, have not been misapplied to the extent represented by T.

The treasurer's account shows the amount credited to the different funds, which is simply the amount of tax *levied* for any respective fund. It shows in this case, that a certain tax was levied and credited to the first ward. But everybody knows that a large portion of the first ward tax is not paid—when the tax is collected or paid into the treasury, no doubt the officers of that ward will see that the money is properly applied.

In some of the other wards, the taxes were pretty generally paid into the treasury when due. JUSTICE.

☞ We stepped into Bootman's Music Rooms the other evening, during the rehearsal for Mr. Wilson's concert on Tuesday evening next, and were really charmed.—The pieces are well selected of a great variety, and executed with much taste, and our citizens will certainly have a rich and rare treat. The new national song, "The Sword of Bunker Hill" is a splendid quartette, and was most feelingly rendered. "The Convent Bell," "Touch the Soft Harp Gently," and the "Neva Boatman's Song," were very well sung as indeed were all the pieces we listened to. Mr. Wilson is an old resident here and has done much for both the pleasure and benefit of the musical portion of Janesville, and we hope that when he does occasionaly favor us with a concert he may meet with a liberal patronage. OUR GYMNASIUM.—We regard this as one of the important institutions of our goodly city. It is a great promoter of health, and without health of what use is a man to society, or to himself? Life is robbed of its comfort and armed with stings to torment its possessor. It is a sore annoyance to young men to find their strength giving way just as fields of honor or usefulness open before them; and those who have gained a competence are rendered miserable, at the very period when good health would have enabled them to enjoy their wealth. Such experiences are common among various classes of society, and the sole cause has been neglect of exercise. The ancients were wiser in this matter than we. Their games and sports in athlethic outdoor exercises, were popular for centuries, and reared hardy races of men.

We are glad to see a new interest awakened in all parts of the country in exercise. Gymnasiums are well patronized in all the leading towns and cities. The best men spend an hour or more in daily exercise, and find the greatest benefit.

Dr. Thompson of Buffalo, saved his life to the church, by a careful course of gymnastic training. Dyspepties and consumptives have reaped large benefits from it, and many feeble, puny striplings have become strong men.

The institution should be well patronized in this city, by those who are shut up in stores, shops, studies and offices. Most beneficial results would follow, though pills and powders might soon be at a discount, except for the ladies, who are shut out of the gymnasium.

A committee of the Canadian Parliament have declared the election of Quebec void on account of the violence and illegal voting, and propose to declare the city disfranchised for the remainder of the session as a punishment for tolerating such abuses.

MANUFACTURES IN CINCINNATI.—A complete canvass of Cincinnati has lately been made, with a view to obtain information in reference to its manufacturing interest. It appears there are engaged as operatives in manufacturing and mechanical pursuits, 23,161 men; 1,422 girls; and 949 boys.—The value of the aggregate annual production is $56,502,440. The result of this canvass seems to have disappointed the association which undertook it. Some branches which were imagined to be very extensive, seem to fall short when the figures are actually shown, while others of unpretentious dimensions give a more favorable exhibit than was anticipated.

The largest business in the city is that of tailoring and clothing, which annually produces to the amount of nearly $8,000,000. About $4,000,000 only are produced by the forty founderies and machineries of the city. In the manufacture of billiard tables, 117 men are employed; while 265 yearly labor in the production of lager beer, to the amount of over $2,000,000 worth.

In the manufacture of lucifer matches, 10 girls and 40 boys produce some $60,000 annually. In the city there are fine potteries, employing 104 men and boys, and producing annually $167,000. The report from which we compile these items complains of the cost of water for manufacturing purposes, it being about three times as expensive as in the generality of manufacturing localities.

A cotemporary inquires if the young ladies of the present day are fitted for wives. A much more important inquiry is, whether they are fitted for husbands.

SHARP AS A NEEDLE.—The following *bon mot* was started out west: A busy housewife was sitting in a doorway plying her needle. Her husband lounging on the rail, his foot slipped and he bruised his knee on the door stone. "O," said he, groaning, "I have broken the bone I am sure." "Well, then" said she, holding up her needle, with its eye broken out, "you and I have done very nearly the same thing." "How so?" "Why, don't you see," said she, "I have broken the *eye of the needle, man*, and you have broken the *knee of the idle man*."

LIFE INSURANCE.—Those desiring this *safest* and *cheapest* protection for their families, can secure it in our Wisconsin company. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

Thus while duty demands that men should insure their lives, it also demands that they should keep their money for investment at home. Confident that our success has been more than equal to that of the most "unprecedented," we would cordially invite all our citizens to call at the office, south-west corner of Main and Wisconsin streets, and examine for themselves.

Non-Explosive Burning Fluid
USED WITH SAFETY & ECONOMY.
The Best in the Market.
Palmer's Drug and Tea Store.
WE have, for several years past dealt largely in BURNING FLUID, and have always, thus far, kept fully *up to the times*, in any improvements made in its manufacture. Nearly a year ago, in an appeal in favor of its more general use, based upon the fact that the raw material from which it is made, is mainly the product of our own farms, we publicly announced that there was, at the temperature at which it is generally used, "no explosive power whatever in Burning Fluid, *as now made by those who understand the business in which they are engaged*. That injury from its use was either the result of gross carelessness, or of undue alarm caused by a bullet in its explosive power," &c. Since then we have manufactured and sold thousand of gallons to consumers in this city and vicinity, and if our assumption was an erroneous one, it would undoubtedly have been discovered ere this.
We are prepared to submit our Fluid to any test the public may call for, satisfied that, with ordinary care, *no safer, better or more agreeable light can be produced*. As we are indebted to no traveling "PROF. GREEN—O!" for the high state of perfection attained by us in its manufacture, we give, as usual, prepared to offer our Fluid at the *LOWEST MARKET FIGURES*, and to guarantee entire satisfaction in its use, or the money refunded.
